

Name..... Class..... GD Teacher..... Career Choice.....

Column 1	Column 2	Column 3	Column 4	Column 5	Column 6	Column 7
<b>English &amp; Literacy</b>	<b>Mathematics &amp; Numeracy</b>	<b>Modern Languages</b>	<b>Science</b>	<b>Technologies</b>	<b>Expressive Arts</b>	<b>Social Studies</b>
English	Mathematics	French Spanish German	Science with a focus on:  Biology Chemistry Physics	Administration and IT Computing Design & Manufacture Engineering Science Graphic Communication Health & Food Technology Hospitality: Practical Cookery* Woodworking skills	Art & Design Dance Drama Fashion/Textile Technology Music Music with Technology Physical Education	Social Subjects with a focus on:  Business Geography History Modern Studies People and Society* RMPS

These courses lead to SCQF levels 3, 4 and 5 in S4. Your Guidance Teacher and subject teachers will advise you which courses are most appropriate to you, based on your career choices  
Notes:

▪ Every pupil will take courses in English, Maths, and a Modern Language. Pupils will normally choose one subject from each of the remaining columns (4 to 7), however, should a pupil wish to take 2 subjects from any particular column this may be possible by agreement with their Guidance Teacher and Year Head.

▪ All pupils study Core PE, Religious & Moral Education and Social Education. Pupils will also complete an enterprise project within a subject area which compliments their other choices.

\* These subjects are not currently offered at Higher level or above in S5/6
