

## Construction Skills Academy

Perth & Kinross Council - Powered by JB Safesite

Dates: 05<sup>th</sup> March – 13<sup>th</sup> April 2018

Area: Perth

Unemployed?

Over 16?

Interested in a career in the Construction Industry?

Perth is a very exciting place to be at the moment, with huge investment in the roads infrastructure and plans for major development to the north and west of the city. Projects offering long term benefits to the city, offer opportunities for the people of the city, none less so than becoming part of the construction team.

JB Safesite Training, in partnership with Robertson Construction and  Gifford Ltd will be running a Construction Skills Academy based in Perth. The 6-week academy programme, aimed at anyone currently unemployed, will provide skills and qualifications including the CITB CSCS operatives card.

We are looking for people willing to learn and embrace opportunity, if you have the drive to build a new career in construction;
