Lunch Club Padlet (for teachers) - The Lunch Club Padlet has been a great success and is working well for both students and parents/guardians. If you’re in charge of a club, could you please inform me of any changes to your club’s schedule, such as new days or times? This will help ensure everything stays up to date. Thank you! Additionally, I’ve created some new posters for the Padlet, which have been placed around the school. I have a few extras available if anyone would like one for their room. Let me know!

Mr Swan
