S3-6 Singers, Dancers and Musicians - There are still a few spaces available for the Austria trip in June 2025. This is looking to be a great trip with performances, excursions and lots of exciting things to do and see. If you would like more information, please come and see Mrs Black in Music.

Would you like to be part of breaking a world record??

The Scottish Ambulance Service has been in touch and has provided details outlining the **restart a heart** campaign that happens in October. They are aiming to break a world record for the greatest number of people caught CPR in one day. This is on the **10th October 2024**. This is during the school holidays. You do not need a mannequin; all you need is a jumper/jacket and your hands. On the day, log into <https://www.savealife.scot/> and click on the live (the one in the middle below).

Anyone can be affected by this, and every second counts. **You** can help save a life at home, at work, or in public by knowing this information.
